THE EASYWURLD CLIENT PROCESS

Inside final platform check: an independent optician request.

01

Illustrative request from an independent optician: frame posts blur style advice and clinical claims.

02

The documented step is final platform check; a named owner records its decision.

03

Illustrative detail to verify: a product photo appears to imply a medical result.

04

What we still need to confirm: scope, reviewer and rights for this project.

05

Only an authorised approver releases this package. Ask how the step works.
