THE EASYWURLD CLIENT PROCESS

Inside creative and rights review: a storage-locker operator request.

01

Illustrative request from a storage-locker operator: users do not know what can be stored.

02

The documented step is creative and rights review; a named owner records its decision.

03

Illustrative detail to verify: a price table omits dimensions and exclusions.

04

What we still need to confirm: scope, reviewer and rights for this project.

05

Only an authorised approver releases this package. Ask how the step works.
