THE EASYWURLD CLIENT PROCESS

Inside measurement definition: an organic spice seller request.

01

Illustrative request from an organic spice seller: the origin statement lacks a traceable basis.

02

The documented step is measurement definition; a named owner records its decision.

03

Illustrative detail to verify: a pack says “organic” without documentation.

04

What we still need to confirm: scope, reviewer and rights for this project.

05

Only an authorised approver releases this package. Ask how the step works.
